Thanks to the many other HHLT members & HH residents
who helped make this production a success.

And a special thank you to the wonderful audiences
who support our efforts. After all, it takes "a village" to produce a show.

Heritage Hunt Little Theater was founded in January 2003 by Bets Knepley.
Unlike other little theaters, we are a "senior adult theater"
which is a theater by, with and for older adults.

Our purpose is to provide the best entertainment we can. And to have fun while doing it!

\$19 of your ticket price pays for your dinner. \$7 pays for the play's expenses.
Little Theater members pay for their own costumes & props. The HHLT
has contributed over \$9,000 to the HH Community for sound and lighting
improvements for the ballroom plus \$1000 to other charitable organizations.

Produced by special arrangement with
Pioneer Drama Service, Inc., Englewood, Colorado
