Director's Note

Welcome to our Spring Production. It's time to enjoy a little nostalgia and a few good laughs. We are pretty sure that many of you have fond memories of the hilarious characters you knew well from *The Carol Burnett Show*; Bob Newhart's comical, dead-pan monologues; Shelley Berman's off-the-wall humor in his wonderful comedy routines; and Tom Lehrer's acerbic and funny songs. We had some fun choosing the skits, songs and fillers to stage for this show, you can be sure. Apologies in advance if we left your favorite one out!

So tune up your funny-bones and be prepared for some giggles and maybe even a few belly-laugh. It's the best medicine around so enjoy.
